

Dear Parents and Students,

22 January 2010

**Nova Hreed School Council would like your help!**

On Tuesday 12 January 2010 a massive earthquake struck the Caribbean country of Haiti. Many of you will have seen and heard about it on television, the radio and in the papers. A huge international relief effort is underway to help the people of Haiti. Haiti was already the poorest country in the Western hemisphere and had not fully recovered from severe hurricanes in 2008. It had over 10 million inhabitants and over 50% of those were under the age of 18.

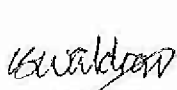

On Friday 29<sup>th</sup> January, we will be holding a non uniform day and we would like everyone - teachers, professional support staff and students to donate £2 towards the Haiti Earthquake Appeal for the privilege of having this choice. All money raised will be sent to the DEC.org.uk fund.

Please bring in £2 on Friday morning and give it to your tutor to enable you to wear non uniform. We hope you will support us in this appeal. If everyone in the school donated £2 we could raise over £2600 to benefit young people in the devastated areas of Haiti.

Students must wear clothing which is suitable for a normal working day at school. This means clothing should not be revealing and must be practical for walking around the site safely.

We hope you feel able to help and will let you know how much was raised the following week in assemblies and via the VLE.

Yours sincerely,

Luke Waldron
